Key

Sound notes

- Hear us on our website www.circusofbones.com or listen on all online streaming services
- In the realms of a Black Keys or Gogel Bordello live sound, phat blues rock with sharp, clear spitting vocals like Nick Cave or Fontaines DC.

Any queries don't hesitate to call or email Eddie via the above details, very happy to chat. Of course all of the above isn't gospel and we can easily adapt depending on your set up.

Thank you for your time and we very much look forward to working with you!

Regards, Eddie, Paul, Harry.
